

ATC-ADMISSIONS POLICY

We will endeavour to be inclusive and not discriminate against any children who wish to attend the club.

We will endeavour to provide after school care to any children with disabilities, educational or behavioural needs.

Parents will be given a prospectus which will give a detailed description of the provision.

Parents wishing to book a place will be required to complete a registration form and follow the registration procedures. Places are booked on a permanent basis.

Priority will be given to those requiring full time places.

Children can be accepted from other schools but we do not provide transport.
