

## **THE AFTER 3 CLUB**

### **STAFF TO CHILD RATIOS**

- After 3 club will comply with Ofsted requirements on staff/child ratios, which are as follows:

**1:8 for under 8's**

- There are no set requirements for over 8's however ATC will aim to run on the following ratio:

**1:10/12 for over 8's**

- ATC will aim to operate these ratios always however in the event of an emergency where these are not possible we will follow the following procedures:

We will serve light snacks to release the kitchen staff to supervise the children.

We may choose to keep the children in the hall so that all staff & children are in one place.

If we do go outside, we may limit numbers.

We will record this session as below staff/child ratio in the incident book.
